GN Football. What A Season!

The 1982-83 football season was the most exciting and successful season in the history of Glenbard North. The Panthers ended the season with an 11-1 record and recognized as one of the top four 6-A teams in the state. The Panthers earned the right to play in the state playoffs by going unbeaten in the DuPage Valley Conference. After winnning their first two games in the playoffs, the Panthers lost a close game to Reavis, the eventual state champion. This was a tremendous year for our entire program. The sophomore team won the conference championship, and our freshmen teams both had successful seasons.

The accomplishments this season were the result of a team effort, but there were many outstanding individual efforts. Tony Lisbon capped a 3 year varsity career by being named to several All-State and All-Area teams. He was also the honorary captain of the All-Conference offensive team, as well as being selected as the teams "Most Valuable Player." Other players selected on the All-Conference team included Jeff Laschinski, Chris Ratliff, Dave Slinkman, Tony Savegnago, Mike Lotz, and Steve Cherry. Receiving special mention honors were Steve Polcinski, Mard Kedziora, and Jim Killeen. Darren Howanitz, Mark Hrgich, Mike Bradle, Mike Gilbert, Art Paschke, and Erik Pedersen all received honorable mention recognition.

Girl's Tennis
Success Comes Slowly

The Varsity Girl's Tennis Team won its first match in over five years this past fall, and although the team finished with a modest 5-7 overall record, the future looks bright despite the fact that next years squad will have no seniors.

Leading the 1983 Varsity Squad were outstanding seniors Linda Lucchesi and Jill Schmoe. These fine singles players led the team in each of their victories and will be sorely missed-both from an experience and leadership standpoint.

Young players who will be counted on to help bring success in the future include: Suzi Raisch (1st singles as a Freshman), Joe Glowinski, Kathy Haley, Cara Rosen, Gloria Menchaca, and Jocelyn Tumbaga.

But, they were successful in defeating Glenbard South in their first Regional game. They then lost to Glenbard West in the championship game. They finished tied for 6th in the conference.

WRESTLING PANTHERS OUTSTANDING AGAIN!!

The Glenbard North Wrestling Team had an excellent season once again. They started out with this season with a streak of 62 straight wins. The team was shooting for a new all time State record of consecutive wins. (The record is 80) G.N.'s string was broken by Marist while going for their 68th win. (Marist went on to win the State Championship) In the past 5 years G.N.'s wrestling team has compiled a record of 101 wins and only 3 losses.

This years team was an unexperienced one, (many underclassmen) but this young team wrestled 16 of the top 20 teams in the state and finished this season with a 192 record. For being a young team, they did a terrific job.

To have excelent teams it is necessary to have SUPER WRESTLERS, SUPER COACHING, and above all SUPER PARENTS!

VARSITY Row 1: Kurt Nishimura, Fred Villanueva, Dennis Dy, Ariel Codre, Doug Schmoe, Rhocel Bon. Row 2: Ken Welch, Sumeet Sachdev, Rick Ostrander, Tom Benevente, John Bartl, Sanjay Singh, Coach Evans.

Going into this season, Coach Evans was hoping to finish in the upper division of the eight team DuPage Valley Conference. The tennis team missed that goal by one place, finishing in 5th place, and recording an 8-8 record in dual meet competition. The Panthers also played well in the District 87 meet, finishing second behind Glenbard West.

Tom Benevente played the majority of the season at the number one singles position, and he was also voted as the teams MVP. John Bartl and Kurt Nishimura teamed up at the first doubles position, and finished the season with one of the best records on the team. They were the third seeded doubles team in the conference meet, as well as finishing 4th in the district competition.

Rick Ostrander, a junior, posted a winning record at the number two singles position. Other seniors who contributed to the teams efforts this past season including Sanjay Singh, Ken Welch, and Rhocel Bon.

Coach Evans is optimistic about next years outlook. In addition to Ostrander, sophomores Doug Schmoe and Ariel Copre will be returning for their second season on the varsity team. A sophomore team that posted a 12-4 dual meet record is also reason for optimism in the tennis program next season.
